“DECEITFUL REVISERS AND EDITORS OF HISTORY”

NOTE: All **emphasis** throughout this newsletter, unless otherwise noted, is by the editor of “*Tackling the Tough Topics* (TTT)”.

WARNING: This TTT newsletter may seriously “disturb” some folks’ “*comfort zones*”; however, TRUTH is far more important than any of our comfort zones.

DEFINITIONS (Hopefully listed in alphabetical order):

“Center Party” (per Darryl Eberhart, Editor of TTT): “[Often seen in various books as ‘Centrum’ or ‘Zentrum’ Party]: The German Roman Catholic Center Party [in German: Zentrumspartei] was a powerful political party in Germany in the 19th century and early 20th century (especially in the 1920s and early 1930s). Its main power base was in predominantly Roman Catholic Bavaria [in southern Germany]. The German Roman Catholic Center Party’s endorsement of, and unanimous vote for, the Enabling Act of March 1933 was crucial, giving Adolf Hitler the 2/3s majority he needed to assume dictatorial powers in Germany.”

“Crusade” (per Webster’s New World Dictionary, Second College Edition; 1974; first two meanings): “1. Any of the military expeditions which Christians [Ed. Note: to be more precise, **Roman Catholics**] undertook from the end of the 11th [century] to the end of the 13th century to recover the Holy Land from the Moslems. 2. Any **church**-sanctioned war or expedition like this.”

((Ed Comment to the preceding definition: The **Papacy** launched “*holy*” **crusades** against Bible-believing Christian groups, such as the Albigenses in southern France, and the Waldenses in southeastern France and northwest Italy.))

“Deceitful” (per Webster’s 1828 American Dictionary of the English Language): (Meaning #1): *“Tending to mislead, deceive or ensnare.”*

“Editor” (per Webster’s 1828 American Dictionary of the English Language): “[1.] A publisher; particularly, a person who superintends an impression [i.e., a single edition] of a book; the person who revises, corrects and prepares a book for publication... 2. One who superintends the publication of a newspaper.”

“Fascism” (per Webster’s New World Dictionary, Second College Edition – second meaning): “A system of government characterized by rigid one-party dictatorship, forcible suppression of opposition, private economic enterprise under centralized governmental control, belligerent nationalism, racism, and militarism, etc.: first instituted in Italy in 1922.”

“Front” (per Webster’s New World Dictionary, Second College Edition; 1974): (Meaning #15): “A person or group **used** to cover or obscure the activity or objectives of another controlling person or group.”

“Genocide” (per Frank Chalk and Kurt Jonassohn, co-authors of *The History and Sociology of GENOCIDE*): “A form of **one-sided mass killing** in which a state or other authority [Ed. Note: such as a **RELIGIOUS** authority] **intends to destroy** a group, as that group and membership in it are defined by the perpetrator.” (*The History and Sociology of GENOCIDE*; 1990; Page 23)

“Genocide” (per Professor R. J. Rummel, author of *Death by Government*): “Among other things, the **killing** of people by a government because of their indelible group membership (race, ethnicity, religion, language).” (*Death by Government*; 1994; Page 31)

“Heretic” (per Webster’s 1828 American Dictionary of the English Language): “1. A person under any religion, but particularly the Christian, who holds and teaches opinions repugnant to the established faith, or that which is made the standard of orthodoxy. In strictness, among Christians, a person who holds and avows religious opinions contrary to the doctrines of Scripture, the only rule of faith and practice. 2. Any one who maintains erroneous opinions.”

“Heretic” (per Darryl Eberhart, Editor of TTT): “As concerns historical Roman Catholic use of this term: A ‘label’ applied by the Papacy to anyone who dared in the past, or who dares today, to question either (1) papal authority, or (2) any of the unscriptural doctrines based solely upon ‘tradition’ that have been promulgated by the hierarchy of the Roman Catholic Church, such as ‘transubstantiation’, ‘indulgences’, ‘papal infallibility’, ‘purgatory’, ‘worship of images’, ‘a celibate priesthood’, ‘auricular confession to a priest’, etc.”

“Holocaust” (per Webster’s Seventh New Collegiate Dictionary; 1971): (a.) “A sacrifice consumed by fire”; (b.) “A thorough destruction esp. by fire.”

“Inquisition” (per Webster’s 1828 American Dictionary of the English Language): (Meaning #4): “In some Catholic countries, a court or tribunal established for the examination and punishment of ‘heretics’. This court was established in the 12th century by ‘father’ Dominic, who was charged by Pope Innocent III with orders to excite [Roman] Catholic princes [i.e., rulers] and people to extirpate [i.e., destroy completely] ‘heretics’.”

“Jesuit Order” (per Darryl Eberhart, Editor of TTT): “The Jesuit Order is a religious order of the Roman Catholic Church, officially approved by Pope Paul III in 1540. The primary goals of this order are (1) to roll back the Protestant Reformation and the freedoms that it brought to many of the inhabitants of this planet; (2) to enhance the power and prestige of the Papacy; and (3) to rule despotically over the governments of the world through the Papacy. The head of the Jesuit Order is the Jesuit Superior General – the ‘Black Pope’ – the real power behind the Papal throne. The Jesuit Order is infamous for fomenting revolutions and wars, assassinating heads of State, and subverting nations.”

“Jesuit Temporal Coadjutor” (per Eric Jon Phelps, author of *Vatican Assassins*): “Someone who performs service or duties for the Jesuit Order, but who is not a Jesuit priest. This person may be of any race, religion, or sex.”

“Knights of Malta” (per Darryl Eberhart, Editor of TTT): “A Roman Catholic religious-military order headquartered in Rome with, and under the command of, the Jesuit Superior General. Much of the wealth of the Knights Templar, when it was disbanded in 1312, was given to the Knights of Malta. Many Knights of Malta have held top-level positions in various governments, in the world’s foremost intelligence agencies, in international banking, and in the publishing world. A number of Knights of Malta continue to hold such positions.”

“Mass Murder” (per Darryl Eberhart, Editor of TTT): “The indiscriminate killing of any person or group of people by either a government, or by a **religious institution** – or, by a government **AND** a **religious institution** working hand-in-hand together to eliminate their perceived enemies.”

“Papal Rome” (per Darryl Eberhart, Editor of TTT): “The government of the Roman Catholic Church, whose headquarters is presently in Rome, Italy.”

“Red Herring” (per Webster’s New World Dictionary, Second College Edition): (Meaning #2): “Something used to **divert attention** from the basic issue.”

“Revise” (per Webster’s 1828 American Dictionary of the English Language): “1. To review; to re-examine; to look over with care for correction... 2. To review, alter and amend...”

“Reviser” (per Webster’s 1828 American Dictionary of the English Language): “One that revises or re-examines for correction.”

“Revisionist” (per Webster’s New World Dictionary): “A person who revises, or favors the revision of, some accepted theory, doctrine, etc.”

“Scapegoat” (per Webster’s New World Dictionary, Second College Edition): (Meaning #2): “A person, group, or thing upon whom the **blame** for the mistakes or crimes of others is thrust.”

“Smoke screen” (per Webster’s New World Dictionary, Second College Edition): (Meaning #2): “Anything said or done to conceal or mislead.”

“Ustashi” – “Catholic Actionists” – The Roman Catholic militia (and later army) in the Roman Catholic Fascist State of Croatia during World War II.

“Vatican” (per Webster’s New World Dictionary, Second College Edition; 1974): “1. The papal palace, consisting of a group of buildings in Vatican City. 2. The papal government or authority.”

IMPORTANT NOTE #1: I (the editor of the ETI and TTT newsletters) am not a Roman Catholic; I also most definitely am **not** anti-Roman Catholic as far as **individual** Roman Catholics go. My dad and 90% of my relatives are Roman Catholic; and the majority of my friends are Roman Catholic. I am, however, against the top levels of **secret societies** (from the hierarchy of the **Jesuit Order** to the hierarchy of **Freemasonry**). This is because these secret societies control the leadership of the Roman Catholic Church (through the **Jesuit Order** and **P2 Masonry**), and have **often used** this hierarchical system for evil purposes, such as “*holy*” **Inquisition**, “*holy*” crusades, “*holy*” wars, and religious genocide. The hierarchical system of the Roman Catholic Church is used quite effectively by secret societies not only to keep over one billion Roman Catholics “in line”, but also to gather intelligence, and to infiltrate (through its **Knights of Malta**, Jesuit “*temporal coadjutors*”, etc.) governments and various Christian denominations. I am also against any religious **hierarchy** that tries to place itself equal to, or above, the Lord Jesus Christ, the Son of God – or equal to, or above, God’s Holy Word (i.e., the Holy Bible) and His Ten Commandments!

IMPORTANT NOTE #2: We can no longer afford to REMAIN SILENT on these critical issues for fear of offending any particular group – in this case, Roman Catholics. Please carefully consider this quote by author Dave Hunt:

*“We are told to love one another as Christ has loved us. Pop psychology trivializes that command by equating it with a ‘positive’ attitude. Forgotten is the first duty of love: to **speak the truth** (Ephesians 4:15). Real love does not flatter or soothe when correction is needed but [rather] **points out the error** which is blinding and harming the loved one. Christ said, ‘As many as I love, I rebuke and chasten; be zealous, therefore, and repent’ (Revelation 3:19). Instead, the idea is now current that love excludes rebuke, ignores the truth, and seeks unity at any price. Only **disaster** can result.”* (*A Woman Rides the Beast*; 1994; Page 403)

Why Am I Writing More & More About Roman Catholicism?

This editor of the ETI and TTT newsletters has been writing more and more about the Roman Catholic Church’s hierarchy (i.e., **Papal Rome**), and especially about the Jesuit Order, in recent newsletters because I keep uncovering more and more about the **deep hatred** that **Papal Rome** has for independent Bible-believing Christians, Protestants, Orthodox Christians, and Jews. We Americans have, for the most part, been largely ignorant of the well-documented history of **Papal Rome** in conducting brutal religious genocide (via **Inquisition**, “holy” wars, and “holy” crusades) against all the afore-mentioned groups. Sadly, many Americans believe the “ecumenical rhetoric” of Roman Catholic prelates – i.e., that **Papal Rome** has “changed her ways” and now loves all the “separated brethren”. However, my study of the Papacy shows me that this ecumenical rhetoric is just a **RUSE** [i.e., a “stratagem” – per Webster’s Dictionary: “any trick or scheme for achieving some purpose”]. The “purpose” is to bring all Christian denominations under the **control** of the Papacy!

Yes, the Papacy [i.e., **Papal Rome**], despite its “ecumenical rhetoric”, has **not** changed a bit over the many centuries in the following categories:

- Its **deep hatred** of Jews, all independent Bible-believing Christians, Protestants, and Orthodox Christians (as recently as the **1940s** we find Roman Catholic **Ustashi** military units in Croatia, led and urged on by Franciscan priests, monks, and friars, slaughtering from **600,000 to one million** innocent Serb Orthodox Christian men, women, elderly, and children – many of the victims being first brutally tortured);
- Its long-held **dream** to bring all Christians under its **monopolistic, totalitarian, ecclesiastical control**;
- Its long-held **dream** to **head up** a totalitarian one-world religious organization; and,
- Its long-held **dream** to bring all world leaders – especially those in “Christian” countries – under the temporal power of the pope. (That is, the Papacy would be the top player and “controller” in a one-world government – just like it was the top player and controller on the European continent for many centuries! Kings indeed bowed before popes.)

Power – absolute power – has long been the pursuit of **Papal Rome**. History has recorded **Papal Rome's deep hatred** for religious liberty and freedom of conscience. The U.S. Constitution, with its “*Bill of Rights*” guaranteeing such liberties, has long been hated by **Papal Rome**. (For a good example of this hatred, please read the *Syllabus of Errors* issued in 1864 by Pope Pius IX.) I have heard that there is an acronym in use by some *Knights of Columbus* in America. This acronym is “**M.A.C.**”: “Make America Catholic”. America is the last “roadblock” in the way of **Papal Rome** and her globalist rich and power elite lackeys in their quest for one-world government and one-world religion. Is **America** scheduled for a religious genocide – an **Inquisition** – as occurred in the **1940s** in Croatia? I believe the danger is real and possibly quite imminent – and that is why I have been writing more and more about **Papal Rome**, her long-held dreams of world domination, her love of Fascist regimes, and her well-documented history of torture and religious genocide!

HERE ARE SOME RELEVANT QUOTATIONS:

*“The conscious and intelligent manipulation of the organized habits and opinions of the masses is an important element in democratic society. Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country... It is **they** who pull the wires which control the public mind, who harness old social forces and contrive new ways to bind and guide the world...”* (1928)

Edward Bernays (Called by some the “Father of Public Opinion”)

*“For 300 years past the Church of Rome has striven by an unceasing torrent of false histories, pamphlets, and lectures to **conceal** from the nation [i.e., Great Britain] and the world the true face of her **terrible** history before and during the Reformation.”*

Albert Close (*Jesuit Plots from Elizabethan to Modern Times*; Page 7)

*“Surely some **Jesuit** hand must have been at work influencing ‘Lord’ Romilly [Ed. Note: the “Master of the Rolls” (who was in charge of State Papers) in England] when he appointed [in 1859] a **Roman Catholic** [William Barclay Turnbull] to edit the State Papers of the reigns of [King] Edward VI [king: 1547-53] and [Roman Catholic Queen] Mary [I; queen: 1553-58], above all others; and later to appoint the Rev. Joseph Stevenson as successor.”*

Albert Close (*Jesuit Plots from Elizabethan to Modern Times*; Page 9)

((Ed. Comment to the preceding quote: Joseph Stevenson later “became” a **Jesuit** in 1882. Was it just a “coincidence” that he had earlier been appointed to edit British history at the office of the “Master of the Rolls”? Has American history similarly been edited to remove any evidence of Papal and Jesuit wrongdoing in the USA? Yes! American history **has** been meticulously edited!))

*"The greatest danger and damage to **true** British history today lies in the almost criminal folly of the [British] Government appointing Roman Catholics and Anglo-Romanists to edit the Official Calendars of State Papers from the original Manuscripts of the Reformation times.*

*By clever maneuvering, **Rome** [i.e., the Vatican – the Papacy] has succeeded in the past in getting Roman Catholic Calendarers on the Staff of the Master of the Rolls, with the result that Vatican Documents and other old State Papers have either been suppressed in our National Calendars of State Papers or edited in favor of the Church of Rome."*

Albert Close (*Jesuit Plots from Elizabethan to Modern Times*; Page 8)

((Ed. Comment to the preceding quote: I do not know if I would use the word "folly" in the first sentence of the preceding quotation. Powerful people in the British government knew exactly what they were doing. **Papal Rome** has for centuries instructed her "agents" (e.g., Jesuits, Jesuit "temporal coadjutors", Knights of Malta, Knights of Columbus, etc.) to infiltrate governments, religious denominations, intelligence agencies, universities and colleges, school board committees, publishing houses, etc., in a carefully planned and orchestrated effort to "erase", as much as possible, **Papal Rome's** history of religious genocide and persecution, of fomenting revolutions and wars, of assassinating heads of State, and of torture and Inquisition – and also to "rewrite and revise" history textbooks and encyclopedias. This effort has been immensely successful.))

*"There can be no shadow of doubt that the **Jesuits** and the Anglo-Romanist party in Britain have gained great influence over the Cable Services, Press Agencies, B.B.C., and chief newspapers of Great Britain..."*

Albert Close (*Jesuit Plots from Elizabethan to Modern Times*; Page 169)

((Ed. Comment to the preceding quote: The same thing [i.e., a **Jesuit** takeover of the press, media, and publishing industry] has also happened here in the **USA!**))

*"There is no doubt that the American [Roman] **Catholic hierarchy** has entered the **political arena**, and that it is becoming more and more aggressive in extending the frontiers of [Roman] **Catholic** authority into the fields of medicine, education, and **foreign policy**... As we shall see in this book [Ed. Note: American Freedom and Catholic Power], the [Roman] Catholic hierarchy in this country [i.e., the USA] has **great power** as a pressure group, and **no** editor, politician, publisher, merchant or motion-picture producer can express defiance openly – or publicize documented facts – without risking his future."*

Paul Blanchard (Journalist and author) (1949; Quote was taken from his book American Freedom and Catholic Power.)

((Ed. Comment to the preceding quote: This quote was made in **1949**. The power of the Roman Catholic hierarchy in the USA has not diminished from that time, but rather has grown. Many

powerful **Knights of Malta** (controlled by the Roman Catholic **Jesuit Order**) have held key positions in America's mainstream media (e.g., Henry Robinson Luce and William Randolph Hearst), in U.S. intelligence agencies (e.g., CIA Directors William Donovan, John McCone, William Casey, William Colby, and George Tenet), in U.S. banking, in the U.S. government, etc. Top-level **Knights of Columbus** (e.g., Senator Ted Kennedy) have held, and continue to hold, key positions in the U.S. government. Many of these men do **NOT** have the best interests of the American people at heart – rather, they serve the interests of the **Vatican** and the **Jesuit Order**. These men share the goals of the **Vatican** and the **Jesuit Order** for one-world government and one-world religion controlled by the Papacy! Of course, the real power behind the papal throne is the Jesuit Superior General – the **Black Pope!**))

*“In March 1915, the J.P. Morgan interests [Ed. Note: controlled by the Rockefellers]...got together 12 men high up in the newspaper world and employed them to select the most influential newspapers in the U.S. and [a] sufficient number of them to **CONTROL** generally the policy of the daily press of the United States. These 12 men worked the problem out by selecting 179 newspapers, and then began, by an elimination process to retain only those necessary for the purpose of **CONTROLLING**. They found it was necessary to purchase **CONTROL** of 25 of the greatest [news] papers. The 25 [news] papers were agreed upon; emissaries were sent to purchase the policy, national and international, of these papers. An agreement was reached; the policy of the papers was bought, to be paid for by the month; an editor was furnished for each paper to properly SUPERVISE and EDIT information regarding the questions of preparedness, militarism, financial policies, and other things of national and international nature considered vital to the INTERESTS of the **PURCHASERS**... This policy also included the **SUPPRESSION** of everything in opposition to the wishes of the INTERESTS SERVED.”* – Oscar Callaway (U.S. Congressman) (Statement placed in the Congressional Record in 1917)

*“There is probably no important magazine or newspaper in the country [Ed. Note: the USA] that is not **COMMUNIST**-penetrated to some degree.”*

Whittaker Chambers (1901-1961; American journalist; ex-member of the Communist Party of the United States)

((Ed. Comment to the preceding quote: For whom do the Communists work? Author Gary Allen tells us: *“The Rockefeller family, through their Chase Manhattan Bank and other entities, have been great benefactors of the Soviet Union ever since [the] Communist Revolution in Russia.”* Which brings us to these questions: For whom do the Rockefellers work? Do they have any connections to the Rothschilds, who hold the title *“Guardians of the **Vatican** Treasury”*?)

*“I questioned Dr. [Alberto] Rivera about the briefings he received in the **Vatican** when he was a **Jesuit** priest. I asked him if he was briefed on how the **Vatican** planned to take over the **United States**. He told me [that] his indoctrination [i.e., his training as a Jesuit] went back [into American history] to the time of the Pilgrims. Because of the knowledge of the Inquisition and the slaughter of Christians by the Roman Catholic system, the early immigrants in America began passing laws to keep **Jesuits** out of this country and to outlaw the mass...to protect themselves from a **Vatican***

takeover. These were Christian communities deeply concerned about the 'whore of Revelation' [i.e., the "whore" described in the book of **Revelation** in the Holy Bible].

Jesuits began arriving in America as early as the second group of Pilgrims. They used different names with identifications. They were followed years later when the **Vatican** sent multitudes of [Roman] Catholic families from England, Ireland, and France – posing as Protestants – into the colonies. These were '**plants**'. They were holding secret masses in defiance of the laws. In those days, no Roman Catholic was to hold any position in civil government. The **Jesuits** made sure this part of our history was erased and removed.

The next major move by the **Jesuits** was to destroy or control all the Christian schools across America. Throughout the years, **Jesuits**, working undercover, have gotten into special committees on school boards to remove the emphasis of the Bible and replace it with psychology as found in the Spiritual Exercises of Ignatius de Loyola, the founder of the Jesuit Society. Later, Catholic schools and universities sprang up all across the nation under the **Jesuits**. Today, they probably outnumber all the Christian schools and colleges put together.

The third stage was to move into the courts and legislation...to take over as judges and lawyers in order to manipulate the Constitution in their favor until it could be changed. Once this was accomplished, the thrust was into politics to capture the political parties. Then [the **Jesuits** moved on to] the military and the newspapers. Even back in the time of Lincoln over half the newspapers in the United States were controlled by the **Vatican**."

Jack Chick (Smokescreens; 1983; Pages 75, 76)

((Ed. Comments to the preceding quote:

(1) If you have any doubts about the above claims by Jack Chick concerning the tremendous power and influence of **Papal Rome** and the Jesuit Order, then you need to check out the following books: Smokescreens by Jack Chick, A Woman Rides the Beast by Dave Hunt, The Secret History of the Jesuits by Edmond Paris, 50 Years in the Church of Rome by Charles Chiniquy, and Is Alberto for Real? (compiled by Sidney Hunter). These books can all be ordered via credit card by calling *Chick Publications* at 1-909-987-0771.

(2) If you have any doubts about **Papal Rome's** heavy-duty takeover of much of America's newspapers, magazines, etc., then please do some research on William Randolph Hearst and Henry Robinson Luce. Both of these men were **Jesuit-controlled Knights of Malta**.

(3) Jack Chick says that **Papal Rome** controlled half of the [major] newspapers in the USA back in the time of President Lincoln! What percentage of the U.S. mainstream media and press does **Papal Rome** now control?))

*“In 1997, wealthy media mogul Rupert Murdoch received papal knighthood for promoting the [Roman] Catholic Church and the pope’s interests. ...This Roman Catholic [Bible] version [Ed. Note: the author is referring to the *New International Version*] is Rupert’s bestseller! Let’s face it: Roman Catholic [Bible] versions have become big business.”* – David W. Daniels (*Did The Catholic Church Give Us The Bible?*; 2005; Page 125)

((Ed. Comments to the preceding quote: (1) Per author David W. Daniels: “*Bibles based on the perverted Alexandrian/Roman Catholic texts are in reality Roman Catholic Bibles – with or without the Apocrypha.*” (2) As already mentioned, a number of wealthy ***Knights of Malta*** (a Roman Catholic religious-military order that is headquartered with, and controlled by, the **Jesuit** Superior General) have been major players in the publishing business, such as Henry Robinson Luce and William Randolph Hearst.))

I. INTRODUCTION

I love history – that is, I love TRUE history. Sadly, a whole lot of important history – history that should be known by the American people – has disappeared down a very deep “memory hole”. And even more history is headed for that deep “memory hole”. This history that has disappeared – or is in the process of disappearing – is true history that is very unfavorable to ***Papal Rome*** and the Jesuit Order. It is bloody, ugly, and dark history – history that ***Papal Rome*** and the Jesuit Order are working overtime to destroy forever. It is history that ***Papal Rome*** and the Jesuit Order want the American people to forget – or, in the case of many Americans, to never learn. It is the well-documented history of ***Papal Rome*** and the Jesuit Order in the following categories:

- Mass murder (frequent religious genocide, often on a massive scale – e.g., the slaughter of Jews; the slaughter of Orthodox Christians; the slaughter of independent Christian groups such as the Albigenses and the Waldenses; the slaughter of Protestant Christians in Ireland and Bohemia; the slaughter of the Protestant French Huguenots; etc.);
- Mass torture of human beings (via “holy” ***Inquisition***);
- The assassination of heads of State (e.g., President Abraham Lincoln, Tsar Alexander I and Tsar Alexander II of Russia, King Henry III and King Henry IV of France, President Benito Pablo Juarez of Mexico, etc.);
- Meddling in the affairs of State in numerous nations;
- Fomenting and orchestrating bloody revolutions and wars (including two world wars); and,
- Hating religious liberty, freedom of conscience, and popular, representative government.

Cui bono? That is, “who benefits” from this disappearing history that we Americans should learn if we are to have any chance of countering ***Papal Rome’s*** efforts to destroy our liberties and our Constitutional Republic?

Some folks allege that “*the Jews*” run America’s publishing houses, its mainstream media, etc. If this were true, then why would these “*Jews*” be aiding and abetting **Papal Rome** and the **Jesuit Order** by covering up their numerous crimes against humanity (e.g., “*holy*” crusades, “*holy*” wars, the “*holy*” **Inquisition**, and religious genocide)? After all, the Jews have suffered horribly at the hands of **Papal Rome**! Inquiring minds surely would like to know!

I would like to cover some historical events here in this issue of TTT that I have covered in previous newsletters – albeit more briefly here, but with some new data wherever possible – especially some new quotations. I ask those of you who have read some of my previous newsletters to “stay with me” as I cover these pieces of “disappearing history”, even though I will be repeating some information here that has appeared in earlier newsletters.

History is indeed important. While the dates, names of the leading players, and locations change, the basic scenarios of tyranny, oppression, manipulated wars, etc., keep repeating “over and over again”. We should never forget these wise words from the Spanish philosopher George Santayana: “*Those who cannot remember the past are condemned to repeat it.*”

In a previous TTT newsletter, entitled “*The Real Controllers of the USA*”, I talked about “*front groups*”, “*red herrings*”, and “*smoke screens*” that the real powers operating “*behind the scenes*” [i.e., **Papal Rome** and the **Jesuit Order**] use to mislead us not only about history, but also about what is really happening today in our American Constitutional Republic. Revising and editing history – or, flushing parts of it down that deep “memory hole” – is a key component of their carefully planned strategy of deceit and control. And one of the greatest tools in their hands is a group of people whom I call “*the deceitful revisers and editors of history*”. These “revisers” and “editors” of history have been very successful in their dirty work of erasing those segments of true history that reveal **Papal Rome’s** bloody and sinister past. These deceitful agents of **Papal Rome** can be found on school board committees, in publishing houses, and in many institutes of higher learning. They are the editors of many top newspapers and newsmagazines. They write articles for history textbooks and for encyclopedias. They have infiltrated every important strata of our society. They have destroyed, and are in the process of destroying, many important segments of American history, European history, world history, and “Church” history – history that we Americans need to know if we are to have any chance of preserving our liberties!

II. IMPORTANT EXAMPLES OF REVISED HISTORY (segments of history that are rapidly disappearing down a very deep “memory hole”)

A. Vicious Papal Religious Genocide Against the Albigenian and Waldensian Christians (who were called “heretics” by Papal Rome)

"The [Roman] Catholic Church has the right and duty to kill heretics because it is by fire and sword that heresy can be extirpated."

Marianus de Luce (Jesuit; 1901)

So few Americans are aware of **Papal Rome's** horrible persecution of Christian groups in the 12th through 16th centuries – much of it occurring long before the term "Protestants" ever came into being. Various popes ordered Roman Catholic monarchs to send army after army against the Christian Albigenses in southern France, and against the Christian Waldenses in France and in northern Italy – against innocent farmers and peasants who were peaceful, moral people.

Here are just a few quotes dealing with **Papal Rome's** horrible religious genocide against these innocent Christian men, women, elderly, and children:

*"The Albigensian Crusades slash through the history of France and of the [Roman Catholic] Church like a gaping wound. From 1208 to 1226 the papacy sent army after army to the South of France to crush the Albigensian 'heretics' and to punish their supporters. ...They [i.e., the Albigensian Crusades] began with a calculated act of **terror**, the massacre of [Ed. Note: large numbers of innocent men, women, and children at] Beziers; they ended with the establishment of the Inquisition, one of the most effective means of 'thought control' that Europe has ever known. ((Ed. Comment: The papal army butchered about 20,000 citizens of this French city populated then mainly by the Albigenses.)) They [the papal armies] were completely successful: The losing faith, the Albigensian 'Heresy', was exterminated.*

...Their disappearance as a social group was carefully planned and executed with persistent cruelty." – Frank Chalk and Kurt Jonassohn (Co-authors of The History and Sociology of GENOCIDE; 1990; Page 115)

((Ed. Comment: The **extermination** of the Albigensian Christians by **Papal Rome** is a clear example of RELIGIOUS genocide – **religicide**!))

"[The Albigensian Christians] preached against the immoralities of the [Roman Catholic] priesthood, pilgrimages, worship of saints and idols...opposed the claims of the Church of Rome; made great use of the Scriptures.

...By 1167 they [i.e., the Albigensian Christians] embraced possibly a majority of the population of South France.

...In 1208 a crusade was ordered by Pope Innocent III; a bloody war of extermination followed, scarcely paralleled in history. Town after town was put to the sword, and the inhabitants murdered without distinction of age or sex.

...Within a hundred years the Albigenses were utterly rooted out."

Dr. Henry H. Halley (*Halley's Bible Handbook*)

*"These religious crusades [ordered by **Papal Rome**] and [accompanying] **genocide** (frequently in the form of State-Church **genocide**) were often directed at **innocent peasants and farmers** (e.g., Albigenses, Waldenses, French Huguenots, etc.) whose only 'crimes' were placing the Bible in higher authority than the pope, and refusing to recognize papal authority. These **innocent** people were **falsely** called 'heretics' [by **Papal Rome**]. Papal armies were raised (often using murderers, rapists, etc., who had been released from prisons) and sent to **exterminate** entire villages and regions."*

Darryl Eberhart (Editor of *"Tackling the Tough Topics"*; July 13, 2005)

The Roman Catholic Church claims to be "Christian", yet has tortured and butchered Christians who disagreed with papal authority and/or doctrine. Mass murder by *Papal Rome* didn't just occur in the 12th through the 16th centuries – it occurred as recently as the **1940s** in Fascist Croatia, where Roman Catholic *Ustashi* military units, led by Roman Catholic clergymen, tortured and murdered from **600,000 to one million** innocent Serb Orthodox Christians.

Why isn't this history taught to American schoolchildren? **Who** benefits by this history being kept from the American people, and **who** is so powerful in this country that they have, for the most part, been able to keep this history from the majority of the American people?

B. The Inquisition and Brutal Torture

Author David W. Daniels gives us a brief "history" of the *Inquisition* in his book *Did The Catholic Church Give Us The Bible?* (2005):

"THE INQUISITION: The Horror Begins – With each council the level of terror increased:

- 1184 – Synod of Verona: Burn heretics at the stake.
- 1215 – 4th Lateran Council: Burn heretics and take their property. The 'Inquisition' is formed.
- 1220 – Inquisition is handed to the newly formed Dominican Order.
- 1229 – Synod of Toulouse makes the Inquisition a systematic process – [Accused victims are] guilty until proven innocent!
- 1252 – Pope Innocent IV: **Torture** is doctrinally acceptable to make an accused heretic 'confess'.
- 1484 – Pope Innocent VIII publishes 'Summus Desiderantes' to support his inquisitors.
- 1486 – [Pope] Innocent VIII publishes 'Malleus Maleficorum' (Witch-Hammer), the systematic guide to detect, torture and execute a suspected 'witch'. But the deck was stacked against you:

1. *Almost never see your accuser.*
2. *Never know why or of what you are accused.*
3. *No lawyer. You have to prove your innocence.*
4. *You're presumed guilty – period.*
5. *They promise anything, but kill you anyway!” (Page 86)*

If the brutal ***Inquisition*** were something that only existed a thousand years ago, then there would be no need to discuss it here. However, the “holy” office of ***Inquisition*** **STILL** exists – it has never disappeared. Oh yes, because of the “bad press” that it has received in the past, the Vatican has made two “name changes”.

F. Tupper Saussy, in his book *Rulers of Evil*, points out these two name changes: “*Pontifex Maximus* has laundered the *Inquisition's* name twice. In 1908, Pope Pius X renamed it ‘the Holy Office’, which [Pope] Paul VI transformed into [the] ‘Congregation for the Doctrine of the Faith’ in 1965.” (1999; Page 304)

The office of ***Inquisition*** was set up in the 12th century. Initially, the Dominicans were in charge of it. Later, the **Jesuit Order** would take the office of ***Inquisition*** from the Dominicans.

I will not name the encyclopedia here, but I did read in it, under the entry entitled “*Inquisition*”, a typical whitewash of this sick, barbaric, and inhuman institution (called the “*holy*” ***Inquisition***). Whoever wrote the article for this “entry” in this encyclopedia didn’t consider the “*Inquisition*” a very big deal, saying that they didn’t use any worse torture than was used elsewhere in Europe at that time. The Roman Catholic Church refined “torture” to a new level, even bringing in medical doctors to ensure that most torture victims didn’t die while under torture. This was done so that the victims could be “revived and refreshed”, and thus could face days – weeks – and even months of more and more torture.

How can the Roman Catholic Church call herself “Christian” and yet command the most brutal torture of human beings – even of Christians who simply disagreed with papal doctrine and/or authority? How is it that the hierarchy of the Roman Catholic Church never seemed to have any problems finding lots of fiends to perform **torture**, and priests [who claim to represent Christ] to oversee that brutal **torture** of human beings? Where do we find the Lord Jesus Christ anywhere in this type of ungodly, sick, and barbarous activity? Oh, by the way, the Roman Catholic Church has never repudiated her “right” to use torture and force wherever and whenever she finds the opportunity to do so!

Here are some more quotes dealing with torture and “holy” *Inquisition*:

*“To wring out confessions from these poor creatures [Ed. Note: during the various **Inquisitions**], the Roman Catholic Church devised ingenious **tortures** so excruciating and barbarous that one is sickened by their recital.”*

Dave Hunt (*A Woman Rides the Beast*; 1994; Page 80)

*“It is so very hard today to imagine how anyone could watch and inflict systematic **tortures** [as occurred during the “Holy” *Inquisition*] designed to bring its victims the most severe and agonizing pain, to the very point of death, yet denying death, and then start the process all over again – even on an animal, much less another human being.”*

John Daniel (*The Grand Design Exposed*; 1999; Page 13)

*“The most ghastly abomination of all was the system of **torture**. The accounts of its cold-blooded operations make one shutter at the capacity of human beings for cruelty. And it was decreed and regulated by the **popes** who ‘claim’ to represent Christ on earth...”* – William Shaw Kerr (Church historian)

*“What has turned my soul against Roman [Catholic] abuse of power is the way in which it has tortured and burned such saints of God as Joan of Arc, hundreds of the Albigensian martyrs in France in the 12th century, the Knights Templar, John Huss [Czech Jan Hus], the Dominican Savonarola, the Dominican Giordano Bruno, [and] the Anglican bishops Cranmer, Ridley, and Latimer. The **Inquisition** has promoted at least two wholesale massacres: [hundreds of] thousands of Protestant Waldensians in northern Italy [and southeastern France], and thousands of Protestant Huguenots by the massacre of St. Bartholomew in France. More than 30,000 of the most cultured Protestants of France were put to the sword on the night of St. Bartholomew, August 24, 1572. At the news [of this brutal, bloody massacre], the Pope had cannons fired, proclaimed a jubilee, ordered a Te Deum of thanksgiving to be sung, and struck a special medal to commemorate the glorious ‘victory’.”* – Charles A. Bolton (Ex-Catholic priest)

*“Of eighty popes in a line from the thirteenth century on, not one of them disapproved of the theology and apparatus of **Inquisition**. On the contrary, one after another added his own cruel touches to the workings of this **deadly machine**.”* – Peter de Rosa (Catholic historian & former Jesuit; *Vicars of Christ: The Dark Side of the Papacy*)

*“When confronted with ‘heresy’, she [i.e., **Papal Rome**] does not content herself with persuasion; arguments of an intellectual and moral order appear to her insufficient, and she has*

recourse to **force**, to **corporal punishment**, [and] to **torture**.” – H.M.A. Baudrillart (Rector of the Catholic Institute of Paris)

“[The **Inquisition’s**] *methods of **terror** and **persecution** have been used and abused up to the present day. These methods were not only new, but also so successful that they have been copied by totalitarian regimes ever since. The main features of these methods are:*

1. Making the denunciation of fellow citizens an **obligation** that takes precedence over ties of family and kinship;
2. Extracting confessions by imprisonment and **torture**;
3. Making the naming of fellow conspirators an essential part of confessions;
4. Defining the retraction of extorted confessions as a ‘relapse’ and therefore a proof of guilt; and,
5. In some cases, separating the proof of ‘heresy’ or opposition from the execution of the penalty. The Inquisition handed over its convicted ‘heretics’ to the secular arm for punishment just as, hundreds of years later, during Stalin’s purges of the Communist party, party members were often deprived of their membership and then handed over to the NKVD for punishment.”

Frank Chalk and Kurt Jonassohn (Co-authors of The History and Sociology of GENOCIDE; 1990; Pages 114, 115)

Why isn’t this history concerning **Papal Rome’s** fiendish “**Inquisitional**” institution of brutal torture (that **still** exists) taught to American schoolchildren? Shouldn’t the American people be warned about this institution of torture, and the political-religious-financial institution that operates it? **Who** benefits by this history being kept from the American people, and **who** is so powerful in the USA that they have, for the most part, been able to keep this history from most Americans? Certain elements within the **CIA** love torture! The CIA has had a number of **Knights of Malta** (a **Jesuit-controlled Roman Catholic** religious-military order) at its head: William Donovan, John McCone, William Casey, William Colby, and George Tenet. What agencies in the U.S. government and military have taught “torture” to their corresponding elements in Latin American countries? Could there possibly be any connection between those torture-loving elements within the CIA and that religious-political-financial institution (i.e., **Papal Rome**) that loves to use torture?

C. The Council of Trent (1545-1563) and the Counter-Reformation

Here are two quotes by F. Tupper Saussy (from his book Rulers of Evil):

*“Most of the eighteen-year lifetime of the Council of Trent [in Italy, 1545-1563] consisted of two intermissions spanning four and ten years each. At the beginning of the second intermission, Ignatius [of Loyola – founder of the Jesuit Order] founded a special college in Rome [in 1552] for German-speaking Jesuits called the Germanicum. ((Ed. Note: Pope Pius XI would later create the Russian college in Rome, and place it under the **Jesuit Order**.) Three years later [in 1555], the Peace of Augsburg established the principle of ‘cuius regio, eius religio’, ‘whose [i.e., the ruler’s] the region, his the religion’. The Peace of Augsburg was **Jesuit** ‘pay dirt’. They could now bring whole populations to Rome simply by winning over a few princes. And so they did. By 1560, the Society [of Jesus – i.e., the Jesuit Order] had returned virtually all of South Germany and Austria to the [Roman Catholic] Church.”* (*Rulers of Evil*; 1999; Page 56)

((Ed. Comment to the preceding quote: The Jesuits steered the direction of the Council of Trent. Indeed, the Jesuit Order was founded primarily to counter, and if possible, destroy the Protestant Reformation. Much of Europe was starting to “go Protestant”, and the Roman Catholic Church was losing entire regions and provinces to Protestantism. The “Peace of Augsburg” in 1555 enabled the Jesuit Order to simply win over some key European princes and thus bring whole regions and provinces back to Roman Catholicism. But even this was not enough to stem the steady erosion of Roman Catholic “faithful” leaving mother church, and so religious genocide, “*holy*” **Inquisition**, and religious wars (such as the *Thirty Years’ War* of 1618-1648) were launched to exterminate as many Protestants as quickly as possible.))

*“The fruits of the Germanicum [i.e., the special college in Rome for German-speaking Jesuits] were so successful that when the Council of Trent finally adjourned on December 4, 1563, its decrees and canons conceded nothing to the Protestant reformers. Indeed, under the spiritual direction of [Jesuit] Superior General Diego Lainez – Ignatius [of Loyola] had died in 1556 – the Council [of Trent] denied every Protestant doctrine point by point. **Anathematized** (eternally damned) was anyone who believed that salvation is God’s free gift to His faithful and does not depend upon partaking of Church sacraments. **Anathematized** was anyone who looked to the Bible for the ultimate authority on ‘doctrine, reproof, correction, and instruction in righteousness’ rather than to the teaching Church. **Anathematized** was anyone who regarded as unworthy of belief such unscriptural doctrines as (1) the efficacy of papal indulgences; (2) of confession alone to a priest as necessary for salvation; (3) of the mass as a true and real sacrifice of the body of Christ necessary to salvation; (4) the legitimacy of teachings on purgatory; (5) the celibate priesthood; (6) invoking saints by prayer to intercede with God; (7) the veneration of relics; and, (8) the use of images and symbols.*

*The Council of Trent hurled one hundred twenty-five **anathemas** – eternal damnations – against Protestantism.”* (*Rulers of Evil*; 1999; Pages 56, 57)

((Ed. Comment to the preceding quote: These vicious, unwarranted **anathemas** – eternal damnations – have never been revoked. Subsequent Councils have reaffirmed the Council of Trent. The Vatican, despite “*ecumenical rhetoric*” to the contrary, has not changed the basic doctrines of the Roman Catholic Church that sent MILLIONS of innocent men, women, elderly, and children to their deaths during numerous religious genocides, long periods of “*holy*” **Inquisition**, and actual “*holy*” **Crusades** and wars launched against **Christians**!))

D. Attempts to Force England Back Under Papal Authority

We can see from the quotes at the beginning of this newsletter that **Papal Rome** made mighty efforts to bring England back under papal authority, especially in the 16th century.

Here are some more quotes about this “chapter of history” that is relatively unknown to many Americans:

*“Eight years before the attempted [Spanish] Armada invasion [of 1588], **Jesuits** were seditiously active plotting the overthrow of the English government. By using different disguises, aliases, and secret codes, to illegally slip in and out of England, **Jesuit** Robert Parson, in 1580, had led and then later organized a mission to bring other **Jesuits** into England to engage in a work of subversion. When the [attempted] invasion [by the Spanish Armada] failed, these masters of intrigue [i.e., the Jesuits] turned to another bizarre scheme. Known in your encyclopedia under the subject, ‘The Gunpowder Plot’ – thirteen [Roman] Catholic noblemen and five **Jesuits** formed a conspiracy devising a plan to explode 36 barrels of gunpowder in the cellar of the House of Lords and kill King James I, and members of the [House of] Commons as they assembled for the opening of Parliament on 5 November 1605. Their plan was to blow up the Parliament building and out of the chaos incite the people into a full insurrection.*

*...But before the date it [i.e., the cellar full of explosives] was to be detonated, the explosives were discovered, leading to the arrest of all those involved. ...Of the five **Jesuits** involved, two escaped, one died in prison, and two were convicted and executed.”*

John Daniel (*The Grand Design Exposed*; 1999; Pages 76, 77)

((Ed. Comments to the preceding quote:

(1) Most of our encyclopedias and history textbooks do NOT tell us that the **purpose** of the attempted invasion of England in 1588 by the Spanish Armada was to land troops in England to be joined by local Roman Catholics in an effort to overthrow the government and bring England, by force, back under the authority of **Papal Rome**! The Roman Catholic King of Spain (Philip II) wanted financial “compensation” for launching this invasion. And so the Roman pontiff, **Pope Sixtus V**, promised King Philip II 200,000 crowns as soon as the Spanish Armada had set sail for England, and more cash to follow later. Thus the **Papacy** was helping to fund the planned invasion of England!

(2) What occurred in England, i.e., the numerous political intrigues, attempted assassinations of heads of State, etc., by the wily **Jesuit Order**, occurred all over continental Europe too. This was the reason

why **83** countries, cities, and city-states had thrown the Jesuits out of their areas by 1931! Many European monarchs who expelled the Jesuits were Roman Catholics themselves!))

((Ed. Note: The following quotation is an excerpt taken from an information sheet I recently typed up concerning Albert Close's excellent book Jesuit Plots from Elizabethan to Modern Times.)):

"Editor of ETI and TTT has come to the following conclusion after studying the history of the Roman Catholic Church and Europe: It is virtually impossible to clearly understand European history from the 16th century to the present time without 'viewing' it through the 'lens' of (1) the 'Reformation-Counter Reformation', (2) Roman Catholic efforts to bring England back under papal authority, and (3) the Jesuit Order. The famous Frenchman, the Marquis de LaFayette, stated: 'It is my opinion that if the liberties of this country – the United States of America – are destroyed, it will be by the subtlety of the Roman Catholic Jesuit priests, for they are the most crafty, dangerous enemies to civil and religious liberty. They have instigated most of the wars of Europe.' Many other famous individuals, such as President John Adams, echoed similar condemnations of this infamous Society of Jesus (a.k.a. the Jesuit Order)!"

*Papal Rome (and especially the Jesuit Order from the mid 1500s) tried to bring England back under papal authority by force and subversion. A number of popes and European monarchs conspired to assassinate British monarchs, to foment revolutions in the British Isles, and to actually land foreign troops on British soil. These attempts to bring England back under the pope's authority by force reached their zenith in 1588 when the 130-ship Spanish Armada, carrying 20,000 troops, sailed for the British Isles. Pope Sixtus V had promised Spanish King Phillip II 200,000 crowns the moment the armada sailed, and another 100,000 crowns when troops were placed on shore in England. Researchers have examined British, French, and Spanish 'State papers' – and Vatican documents, for this era. These State papers and Vatican documents clearly show **Papal Rome's** involvement not only in the planned invasion of England by the Spanish Armada, but also in numerous attempts to assassinate Queen Elizabeth I.*

*Sadly, Roman Catholic writers, editors, and apologists have made, and continue to make, tremendous efforts to rewrite and revise history and, in the process, whitewash the Papacy's and the Jesuit Order's frequent involvement in court intrigues, assassinations and attempted assassinations of heads of State, fomenting of revolutions and wars, infiltration of governments, orchestration of religious genocide, etc. Fortunately, a number of researchers and authors, such as Albert Close, have examined various nations' **State papers** and/or actual Vatican documents, which substantiate totally the [sinister and] nefarious activities of the Papacy and the Jesuit Order in Britain throughout the past four centuries!" – Darryl Eberhart (Editor of ETI and TTT; December 28, 2005)*

We Americans must not allow this portion of British history to disappear. The reason is simple: **Papal Rome** was not able to defeat Great Britain by "frontal assault" (i.e., by force of arms) in order to bring it back under papal authority, so it used infiltration to get Great Britain in line with papal desires and goals. The Jesuit Order planned and carried out this "infiltration

operation". Likewise, **Papal Rome** was not able to defeat our American Constitutional Republic by "frontal assault" (i.e., by force of arms), and so it has used infiltration to get the USA in line with papal desires and goals. The Jesuit Order also planned and carried out, with great success, this "infiltration operation" that has been directed against the American Constitutional Republic!

Why isn't this history taught to American schoolchildren? **Who** benefits by this history being kept from the American people, and **who** is so powerful in this country that they have, for the most part, been able to keep this history from the majority of the American people?

E. Religious Genocide Against Irish Protestants and French Huguenots

Here are three quotes by Jack Chick from his book Smokescreens:

*"On [the night of] August 24, 1572, the bloody St. Bartholomew massacre began. This was to be one fatal blow to **destroy** the Protestant movement in France. The [Roman Catholic] king of France had cleverly arranged a marriage between his sister and Admiral Coligny, the chief Protestant leader. There was a great feast with much celebrating. After four days of feasting, the soldiers were given a signal. At twelve o'clock midnight, all the houses of the Protestants in the city were forced open at once. The admiral was killed, his body thrown out of a window into the street where his head was cut off and sent to the pope.*

*...They also **slaughtered** many other well-known Protestants. In the first three days, over ten thousand were **killed**. The bodies were thrown into the river and blood ran through the streets into the river until it appeared like a stream of blood. ...From Paris, the destruction spread to all parts of the country. Over eight thousand more people were **killed**. Very few Protestants escaped the fury of the persecutors." (1983; Page 14)*

"A similar massacre [Ed. Note: i.e., similar to the St. Bartholomew's Massacre of French Huguenots in 1572] occurred in Ireland in 1641. The [Roman Catholic] conspirators picked October 23rd, the feast of Ignatius Loyola, the founder of the Jesuit Order. They planned a general uprising for the whole country. All Protestants would be killed at once. To throw them [i.e., the Protestants] off guard while the plan was being made, extra acts of kindness were shown to the Protestants. Early in the morning [of October 23, 1641] the conspirators were armed and every Protestant they could find was immediately murdered. They showed no mercy. From children to the aged, they were killed. Even invalids were not spared. They were caught by complete surprise. They [i.e., the Protestants] had lived in peace and safety for years and now found no place to run. They were massacred by neighbors, friends, and even relatives.

Death often was the least they had to fear. Women were tied to posts, stripped to the waist, their breasts cut off with shears and left to bleed to death. Others who were pregnant were tied to tree

branches, their unborn babies cut out and fed to the dogs while the husbands were forced to watch.” (1983; Page 17)

“What you’ve just read [about the massacre of Protestants in France in 1572, and in Ireland in 1641] is fully documented and historically factual. It is found in Foxe’s Book of Martyrs. ...Both of these murderous assaults by the Vatican against the [Protestant] Christians in France and in Ireland followed a similar pattern. Before the attacks, there was a time of healing when the Roman Catholics became friendly and warm, and in both cases the [Protestant] Christians were so relieved that they let their guard down and assumed the Vatican had changed. This was their fatal mistake and it cost them their lives.” (1983; Page 17)

Here is a quote by John Daniel from his book The Grand Design Exposed:

*“The sixth and last event to be considered is the barbarous Irish Massacre, with its 23 October 1641 launching date – the date that also celebrates the [Roman] Catholic feast of Ignatius Loyola, founder of the **Jesuits**.*

*...Again the plot is instigated by the **Jesuits**, priests, and friars, who excite the ignorant Irish Catholic people to a frenzy to commit the most unheard of cruelties. In far away France, Cardinal Richelieu, the French minister, had promised the [Irish Roman Catholic] conspirators a considerable supply of men and money. In one stroke, [Roman] Catholics rose up against their peaceful and unsuspecting Protestant neighbors, and spared no age, no sex, nor condition. Led on and declared by their fanatical priestly leaders, that no Protestant should be suffered to live any longer among them; adding that it was no more sin to kill a Protestant than to kill a dog, and that the relieving or protecting them was a crime of the most unpardonable nature.*

The onslaught raged on, and when it had run its course, one hundred and fifty thousand Protestants lay mutilated, butchered, and dead.

...For the unbiased researcher, history reeks of the butchery of Romanism, where whole cities and populations were unmercifully wiped out, just because they worshipped God in a manner that was different from Roman Catholicism.” (The Grand Design Exposed; 1999; Page 78)

Why isn’t this history taught to American schoolchildren? **Who** benefits by this history being kept from the American people, and **who** is so powerful in this country that they have, for the most part, been able to keep this history from the majority of the American people?

F. Seeds Sown for the Destruction of the American Constitutional Republic (Secret Meetings at Vienna, Verona, and Chieri)

Here are 3 quotes by Bill Hughes, author of *The Secret Terrorists* and *The Enemy Unmasked*, concerning these secret meetings in Europe in the 19th century:

*"[American Secretary of the Navy R.W.] Thompson pinpointed exactly who would be the agents used by the monarchs of Europe to destroy the republic of America, namely, the **Jesuits** of Rome! Since 1815 there has been a continual assault on America by the **Jesuits** to try to destroy the constitutional rights of this great nation.*

The famous inventor of the Morse code, Samuel B. Morse, also wrote of this sinister plot [of the Jesuits] against the United States." (The Secret Terrorists; 2002; Page 7)

*"These three meetings, at Vienna, [Austria in 1814-15], Verona, [Italy in 1822], and Chieri, [Italy in 1825], were held with as much secrecy as possible. However, one man attended the first two meetings that would not be silenced. British foreign minister George Canning contacted the U.S. government to warn them that the monarchs of Europe [Ed. Note: with the encouragement and support of the **Papacy** and the **Jesuits**] were planning to destroy the free institutions of America." (The Secret Terrorists; 2002; Page 15)*

*"During this Congress [of Verona, Italy in 1822], it was decided that America would be the target of **Jesuit** emissaries and that America was to be destroyed at all costs. Every principle of the [U.S.] Constitution was to be dissolved and new **Jesuitical** principles were to be put into place in order to exalt the **Papacy** to dominion in America." (The Secret Terrorists; 2002; Page 14)*

One would think that these plans for the destruction of our American Constitutional Republic would be important enough to include in our American history books.

Why isn't this history taught to American schoolchildren? **Who** benefits by this history being kept from the American people, and **who** is so powerful in this country that they have, for the most part, been able to keep this history from the majority of the American people?

G. The American Civil War [1861-1865] and the Assassination of President Abraham Lincoln

Here are some quotes about the American Civil War and the assassination of President Abraham Lincoln:

*"This [American Civil] war [of 1861-1865] would never have been possible without the sinister influence of the **Jesuits**. We owe it to **popery** that we now see our land reddened with the blood of her noblest sons."*

Abraham Lincoln (1809-1865; 16th President of the United States)

*"Despite a declared neutrality [during the American Civil War of 1861-1865], the '**Holy See**' [i.e., the **Papacy**] was secretly aiding and abetting the Confederacy in the hope of dividing Christian America."*

*The degree to which the **Vatican** could affect [President] Lincoln's war measures was astounding. [Roman] Catholic citizens in the north aligned with their southern brethren by voting Democratic, dodging or defending slavery and by opposing Lincoln on all fronts. Irish [Roman Catholic] federals [i.e., federal troops] deserted in droves after learning that their 'Holy Father', Pope Pius IX, had dispatched an official communiqué of support to [Confederate President] Jefferson Davis, addressing him as 'Illustrious and Honorable President of the Confederate States of America'. When the retreating forces from [Confederate General] Lee's debacle at Gettysburg [Pennsylvania in July 1863] should have been crushed on the banks of the swollen Potomac [River], Lincoln's [Roman] Catholic [Union Army] commander, General George Meade, 'conveniently' diverted a third of his army to securing New York City during the infamous 'Draft Riots', perpetrated by the rampaging parishioners of [Roman Catholic] Archbishop [John] Hughes." – Dr. William P. Grady*

((Ed. Comment: Roman Catholic Union General Meade **allowed** General Lee's defeated Confederate army to escape, thus prolonging for almost two more years this bloody war along with its accompanying carnage.))

*"It would seem that the **Jesuits** had had it in mind, from the beginning of the war [the American Civil War of 1861-1865], to find an occasion for the taking off [i.e., the assassination] of Mr. [Abraham] Lincoln." – Thomas M. Harris (U.S. Army Brigadier General; Rome's Responsibility for the Assassination of Abraham Lincoln; 1897; Page 41)*

"These facts, as developed on the trial of the conspirators before a military commission, and on the trial of John H. Surratt two years later [in 1867], before a civil court...show conclusively the hand of Rome in this stab [i.e., the assassination of President Lincoln] at our nation's life." – U.S. Army Brigadier General Thomas M. Harris Rome's Responsibility for the Assassination of Abraham Lincoln; 1897; Page 19)

"Right after [President] Lincoln's death [via an assassin's bullet], John [Harrison] Surratt, who was part of the assassination conspiracy, fled to Montreal [Canada, where Roman Catholic priests hid him]. From Montreal [again with the help of Roman Catholic priests] he was taken to

*Liverpool, England and then to Rome. When a United States official finally caught up with him, he was found in the Pope's personal army [i.e., in a pontifical Zouave company]. A conspirator in the assassination of Abraham Lincoln was a member of the **Pope's personal army!**" – Bill Hughes (The Secret Terrorists; 2002; Page 50)*

Why isn't this history taught to American schoolchildren? **Who** benefits by this history being kept from the American people, and **who** is so powerful in this country that they have, for the most part, been able to keep this history from the majority of the American people?

H. Papal Rome's Hatred of Religious Liberty and the U.S. Constitution in Her Own Words and in the Words of Others

"The unrestrained freedom of thinking and of openly making known one's thoughts is **not** inherent in the rights of citizens and is by **no means** worthy of favor and support." – Pope Gregory XVI (pope: 1831-1846)

*"These false and perverse opinions [of democracy and individual freedom] are so much the more detestable, by as much as they...hinder and banish that salutary influence which the [Roman] Catholic Church, by the institution and command of her Divine Author, ought freely to exercise, even to the consummation of the world, not only over individual men, but [over] **nations**, [over] **peoples**, and [over] **sovereigns**." (Quanta Cura; December 8, 1864)*

Pope Pius IX (1792-1878; pope: 1846-1878) ((This quotation was taken from page 120 of the book A Woman Rides the Beast (1994) by Dave Hunt.))

*"The State has not the right to leave every man **free** to embrace whatever religion he should deem true.*

*...The [Roman Catholic] Church has the right to **require** that the Catholic religion shall be the religion of the State, to the **exclusion** of all others.*

*...Cursed be those who assert **liberty** of conscience and of worship and such that maintain that the [Roman Catholic] Church may not employ **force**."*

Pope Pius IX (pope: 1846-1878; *Syllabus Errorum* of December 1864)

*"**No** man has a right to choose his religion. [Roman] Catholicism is the most intolerant of creeds. It is intolerance itself. We might as rationally maintain that two and two does not make four as the theory of Religious Liberty. Its impiety is only equaled by its absurdity." (1864)*

John Hughes (Roman Catholic Archbishop of New York)

((What now follows is some proof of **Papal Rome's** hatred of religious liberty, freedom of conscience, and/or popular, representative government that has appeared in several Roman Catholic publications.))

"...We do not accept it [i.e., the Constitutional Republic of the United States of America], or hold it to be any government at all... If the American Republic is to be sustained and preserved at all, it must be by the rejection of the principle of the [Protestant] Reformation, and the acceptance of the [Roman] Catholic principle..." – Catholic World (August 1871; page 735)

((Ed. Comment to the preceding quote: The "principle of the [Protestant] Reformation" is religious liberty for all, freedom of conscience, etc.; the "[Roman] Catholic principle" is no religious liberty, ecclesiastical tyranny, and the extermination of all who disagree with the Roman Catholic principle. For most Americans, that should be a pretty simple choice to make!))

"Fascism is the regime that corresponds most closely to the concepts of the Church of Rome."
– *Civiltà Cattolica* (House organ of the Jesuits)

"The [Roman Catholic] church has persecuted. Only a tyro [i.e., novice] in church history will deny that...one hundred and fifty years after [Roman Emperor] Constantine, the Donatists were persecuted and sometimes put to death. ...Protestants were persecuted in France and Spain with the full approval of the [Roman Catholic] church authorities. ...When she [i.e., the Roman Catholic Church] thinks it good to use physical force, she will use it."

The Western Watchman (A Roman Catholic publication out of St. Louis)

"Have not the popes [e.g., Pope Pius IX in his Syllabus of Errors] publicly and repeatedly anathematized the sacred principle of Liberty of Conscience? Have they not boldly said, in the teeth of the nations of Europe, that Liberty of Conscience must be destroyed – killed at any cost? Has not the whole world heard the sentence of death to liberty coming from the lips of the old man of the Vatican [i.e., the pope]?" – Charles Chiniquy (Ex-Roman Catholic priest; personal friend of President Abraham Lincoln)

"The Constitution of the United States was condemned by the Papacy because it separated church and state and prohibited the establishment of any religion [Ed. Note: as an official State-sponsored religion] by the government. The popes, on the other hand, had long required governments to make Roman Catholicism the official religion and to prohibit the practice of any other."

Dave Hunt (*A Woman Rides the Beast*; 1994; Page 126)

*“During a sermon in 1850, [Roman Catholic] Archbishop John Hughes of New York, the nation’s leading Vatican spokesman, acknowledged that a conspiracy to subjugate free America **did exist** after all. The [Roman] Catholic press was ecstatic. An excerpt from ‘Shepherd of the Valley’, the official journal of the [Roman Catholic] Bishop of St. Louis, declared, ‘If [Roman] Catholics ever gain a sufficient numerical majority in this country, religious freedom is at an end. So our enemies say, so we believe.’ [Roman Catholic Archbishop] Hughes’ own paper, the ‘New York Freeman’ brazenly announced, ‘No man has a right to choose his religion.’” – Dr. William P. Grady*

Why isn’t this history taught to American schoolchildren? **Who** benefits by this history being kept from the American people, and **who** is so powerful in this country that they have, for the most part, been able to keep this history from the majority of the American people?

I. Vatican Involvement in World War II (Fomenting the War; Supporting Fascist Regimes; Aiding & Abetting Religious Genocide; etc.):

Please carefully consider the following quotations:

*“The public is practically unaware of the overwhelming responsibility carried by the Vatican and its **Jesuits** in the starting of two world wars – a situation which may be explained in part by the gigantic finances at the disposition of the Vatican and its **Jesuits**, giving them power in so many spheres, especially since the last conflict.”*

Edmond Paris (*The Secret History of the Jesuits*; 1975; Page 9)

*“The [Roman Catholic] priests and the faithful must unhesitatingly uphold the great German state [i.e., Nazi Germany], and the Fuehrer [i.e., Adolf Hitler] whose struggle to set up [Nazi] Germany’s power, honor and prosperity is in accord with the wishes of Providence.” – Cardinal Innitzer (Roman Catholic Cardinal; **Jesuit**; Archbishop of Vienna, Austria)*

((Ed. Comment to the preceding quote: Austrian Cardinal Innitzer (a **Jesuit**), the highest-ranking Roman Catholic prelate in Austria, thus lent the full support of the Roman Catholic Church in Austria to the Roman Catholic Nazi German fuehrer, Adolf Hitler. Cardinal Innitzer made this declaration in favor of the Nazis just a few days after German troops invaded Austria on March 12, 1938. Innitzer’s declaration was printed in German newspapers on March 15, 1938.))

*"I have learnt most of all from the **Jesuit Order**. ...So far, there has been nothing more imposing on earth than the hierarchical organization of the [Roman] **Catholic Church**. A good part of that organization I have transported direct to my own [Nazi] party. ...The **Catholic Church** must be held up as an example. ...I will tell you a secret. I am founding an order [Ed. Note: the Nazi **SS**]. ...In [Heinrich] **Himmler** [who would become head of the Nazi **SS**] I see our **Ignatius de Loyola** [Ed. Note: the founder of the **Jesuit Order**]." – Adolf Hitler (1889-1945; Nazi leader and chancellor of Germany from 1933-1945)*

*"The German author Walter Hagen gives also this discreet information: 'The **Jesuits**' [Superior] General, Count Halke von Ledochowski, was ready to organize, on the common basis of anti-communism, some collaboration between the German Secret Service and the **Jesuit Order**.'*

*As a result, within the **SS** Central Security Service, an organization was created, and most of its main posts were held by [Roman] **Catholic priests** wearing the black uniform of the [Nazi] **SS**. The **Jesuit** [priest] 'father' **Himmler** [uncle of Heinrich Himmler] was one of its superior officers."*

Edmond Paris (*The Secret History of the Jesuits*; 1975; Page 168)

*"...Kurt Heinrich Himmler [was] chief of the **Gestapo** [i.e., the secret police force of the German Nazi State], which meant he held in his hand the essential reins of power of the [Nazi] regime. Was it his personal merits which earned him such a high position? Did Hitler see in him a superior genius when he compared him [i.e., Heinrich Himmler] to the creator of the Jesuit Order [i.e., Ignatius of Loyola]? It is certainly not what the testimonies of those who knew him imply, as they saw in him nothing more than mediocrity.*

*Was that 'star' [of Heinrich Himmler] shining with a borrowed 'brightness'? Was it really Kurt Heinrich Himmler, the ostensible [i.e., apparent] chief, who actually reigned over the **Gestapo** and the **secret services**? **Who** was sending millions of people, deported for political reasons, and Jews to their death? Was it the flat-faced nephew or [was it] the [**Jesuit** priest] uncle, the former Canon at the Court of Bavaria, one of [**Jesuit** Superior General] Ledochowski's favorites, a **Jesuit** 'father' and superior officer of the [Nazi] **SS**?"*

Edmond Paris (*The Secret History of the Jesuits*; 1975; Page 168)

*"The declaration of [Roman Catholic **Jesuit**] Monseigneur [Ed. Note: French spelling of 'Monsignor'] Tiso, chief of the Slovakian state, stating his intention to build up Slovakia according to a Christian [sic] plan, has the full approval of the Holy See [i.e., the Papacy]." – **Radio Vatican** (June 1940)*

((Ed. Comment to the preceding quote: **Jesuit** monster Monsignor Tiso was put into power by Hitler's Nazi Germany, with the blessings of the Vatican. Tiso, using his "Christian" [i.e., **Roman Catholic**] plan, brutally persecuted Protestants and Jews in Slovakia, sending them to concentration camps!))

*“To talk about [Roman] Catholic ‘**fifth columnists**’ sounds discriminatory. Yet, one generation ago, [Roman] Catholic minorities helped to destroy democratic Europe. This they did by cooperating with Hitler.*

*...Again, who were gathered inside the ‘**Trojan Horses**’ to help Hitler topple the political and, yes, even the military structures of Belgium and France? Once more we find individual [Roman] Catholic leaders or [Roman] Catholic groups intimately connected with the hierarchies and therefore, with the Vatican and Pope Pius XII. ...In France, we meet a Papal knight, Pierre Laval; a Jesuit-trained general, Weygand; and another prominent Catholic, Marshal Petain. ...If active Catholic minorities contributed to the disintegration of European democracy, an active Catholic minority could do the same in the United States.”*

Avro Manhattan (*The Vatican Moscow Washington Alliance*)

*“The **Jesuits**, in control of [Adolf] Hitler’s occultic and homosexual Third Reich... installed puppet dictators throughout Europe. They were:*

- *Bavarian Germany and the Third Reich – [Adolf] Hitler [born-died: 1889-1945]*
- *Italy – [Benito] Mussolini [born-died: 1883-1945]*
- *‘Vichy’ France – [Henri Philippe] Petain [born-died: 1856-1951]*
- *Spain – [Francisco] Franco [born-died: 1892-1975]*
- *Austria – Seyss-Inquart*
- *Poland – Frank*
- *Slovakia – [Jesuit] Priest [Monsignor] Tiso*
- *Croatia – [Ante] Pavelitch ((Ed. Note: alternate spelling: Pavelic))*
- *Belgium – Degrelle.*

*All these **Roman Catholic**, Jesuit-controlled, Jew-hating dictators were loyal to the greatest war criminal of all, Papal Caesar Pius XII and his master, Jesuit [Superior] General Wlodimir Ledochowski.”*

Eric Jon Phelps (*Vatican Assassins*; 2001; Page 478)

*“...Here [in Croatia in the 1940s] the [Roman] Catholic Church [erected] a State in complete accord with all her tenets. The result was a **monster** standing upon the armed might of twin totalitarianisms: the totalitarianism of a ruthless Fascist State and the totalitarianism of [Roman] Catholicism...*

What gives to such a creature of Vatican diplomacy its peculiar importance is that here we have an example of the [Roman] Catholic Church’s implementing all her principles, unhampered by opposition, or by fear of world opinion.

*The uniqueness of the Independent [Roman] Catholic State of Croatia lies precisely in this: that it provided a **model**, in miniature, of what the [Roman] Catholic Church, had she the power, would like to see in the West and, indeed, everywhere. As such it should be carefully scrutinized. For its significance...is of the **greatest import** to all the freedom-loving peoples of the world.”*

Avro Manhattan (*The Vatican's Holocaust*; 1986; Page 9)

*"This [Ed. Note: her booklet "Ravens Wolves"] is the record of **torture and murder** committed in Europe in 1941-1945 by an army of [Roman] Catholic Actionists known as the **Ustashi**, led by monks and priests, and even participated in by nuns. The [innocent Serb Orthodox Christian] victims suffered and died in the cause of liberty and freedom of conscience. The least we can do is to read the record of their sufferings and keep in mind that it happened, not in the dark ages, but in our ENLIGHTENED [Ed. Note: emphasis in original] generation. **Ustashi** is another name for Catholic Action." – Monica Farrell ("Ravens Wolves")*

*"[John Cornwell's book Hitler's Pope is] a devastating refutation of the claim that this Pope's [i.e., Pius XII (pope: 1939-1958)] diplomacy can in any way be characterized as wisdom. Instead of a portrait of a man worthy of sainthood, Cornwell [in his book Hitler's Pope] lays out the story of a narcissistic, power-hungry manipulator [i.e., Pope Pius XII] who was prepared to lie, to appease, and to collaborate in order to accomplish his ecclesiastical purpose – which was **not** to save lives or even to protect the Catholic Church, but, more narrowly, to protect and advance the power of the papacy."*

James Carroll (Writer, *Atlantic Monthly*)

((Ed. Comment to the preceding quote: Journalist John Cornwell is a Roman Catholic who had unprecedented access to Vatican and Jesuit archives. His research showed him that Pope Pius XII was not even close to being a "saint", but rather that this pope was indeed a "narcissistic, power-hungry manipulator" as James Carroll has written.))

*"In Hitler's Pope, award-winning journalist John Cornwell shows that Eugenio Pacelli, **Pope Pius XII**, was instrumental in negotiating an accord that helped the Nazis rise to unhindered power – and sealed the fate of the Jews in Europe.*

*Drawing upon secret Vatican and Jesuit archives to which he had unprecedented access, Cornwell tells the full, tragic story of how narcissism, long-standing personal antipathy for the Jews, and political and 'spiritual' ambition combined to make Pius **the most dangerous churchman in history**. Not just a firm and final indictment of Pius XII's papacy, Hitler's Pope is also a searing exploration of its lingering consequences for the Catholic Church today."*

(Quote was taken from the back cover of John Cornwell's book Hitler's Pope.)

*"When **thousands** of German anti-Nazis were tortured to death in Hitler's concentration camps, when the Polish intelligentsia was slaughtered, when **hundreds of thousands** of Russians died as the result of being treated as Slavic Untermenschen [subhumans], and when **6,000,000** human beings were murdered for being 'non-Aryan', [Roman] Catholic Church officials in Germany bolstered the [Nazi] regime perpetrating these crimes. The Pope [Pius XII] in Rome, the spiritual head and supreme moral teacher of the Roman Catholic Church, **remained silent**.*

In the face of these greatest of moral depravities which mankind has been forced to witness in recent centuries, the moral teachings of a Church [allegedly] dedicated to love and charity could be heard in no other form but vague generalities.” – Guenter Lewy (The Catholic Church and Nazi Germany)

*“Without the deadening hand of **Vatican control**, resistance might have been multiplied across the country [i.e., Nazi Germany during World War II] from the outset. And had [Roman] Catholic officialdom, from the outset, **not** turned a blind eye to the expanding anti-Semitic propaganda and persecution, the terrible disaster that befell the Jews might never have occurred.”*

John Cornwell (Hitler's Pope: The Secret History of Pius XII; 1999)

The above quotations are but a small portion of those I could have listed that reveal **Vatican** and **Jesuit** involvement in World War II. Not only did the Vatican and the Jesuits help to foment World II, but they also orchestrated much of the bloodshed – including brutal religious genocide – that occurred in that horrible war.

Many people tell us that we should never forget the Jewish Holocaust – and we shouldn't! But what about the horrible religious genocide that the Vatican and its agents carried out in Fascist Croatia, where from 600,000 to one million innocent Serb Orthodox Christian men, women, elderly, and children were butchered by **Roman Catholic Ustashi** military units led by **Roman Catholic clergymen**? Shouldn't there be some remembrance of that holocaust?

Why isn't this part of World War II history taught to American schoolchildren? Who benefits by this history being kept from the American people, and who is so powerful in this country that they have, for the most part, been able to keep this history from the majority of the American people?

J. Vatican Involvement in the Vietnam War

Far too few Americans are aware of the major role that the **Vatican** played in the Vietnam War – a war that cost America 58,167 killed and 365,000 wounded.

Author Ron Hembree states the following about the Vietnam War:

“On this day [Ed. Note: June 23rd] in 1968, the Vietnam War became the longest war in American history, beginning in 1957 and ending in 1975. About 58,000 American military personnel died in the war, and about 300,000 were wounded. South Vietnamese deaths topped one

million. North Vietnamese losses ranged between **500,000** and **one million**, in addition to countless civilians killed. The United States spent over \$150 billion on the war. Bombing alone cost four times more than the combined U.S.-British bombing of Germany in World War II. The war made refugees of up to **10 million** South Vietnamese, or about half the country's population." (*A Daily Joy*; Page 184)

Here are some quotes from prolific writer Avro Manhattan:

*"The role played by the **Vatican** in the Vietnam War (1956-1976) was not only important, it was decisive. ...Since without the Vatican such a war would have never occurred.*

Initially, the Vietnam conflict had nothing to do with the USA. ...It had been a problem dealing exclusively with French colonialism. The defeat of France during the Second World War (1940-1945) had inspired Indo-Chinese national aspirations for ultimate independence from French Imperialism throughout Asia.

*...The Vatican opposed the move [for an independent Vietnam] since it wished to retain and to control the former French colonies; to that effect it plotted the setting up of a Vietnam controlled by Vietnamese [Roman] **Catholics** [Ed. Note: who were a very small minority].*

...[The Vatican] plotted for a territorial split which divided the country into North and South.

*...Whereas the North remained a Communist enclave, the South turned into the territorial and political domain of three fanatical [Roman] **Catholic** brothers.*

*These three [brothers] formed a kind of triumvirate, whereas one became the president, known as President Diem; the second became Chief of Police; and the third [Ed. Note: the Archbishop of Hue] controlled the Church. The brotherly triumvirate in this manner came to control the political, ecclesiastical, and police machinery of the whole country – a control which they kept with an iron fist until two of them were murdered three years later." (*The Dollar and the Vatican*; 1988; Pages 108, 109)*

*"...It was the **Vatican**, with the help of the U.S. [Roman] Catholic lobby headed by **Cardinal Spellman**, that initially propelled [Roman Catholic] Diem into power [in South Vietnam]. The powerful trio, namely [Pope] Pius XII, **Cardinal Spellman**, and John Foster Dulles, were behind the setting up of a semi-totalitarian regime in South Vietnam from its inception." (*The Dollar and the Vatican*; 1988; Page 110)*

*"The Vietnamese tragedy [to include the Vietnam War] was **precipitated** by a zealous [Roman] Catholic trio formed by a [Roman] Catholic President [Ngo Dinh Diem], a [Roman] Catholic head of the Secret Police [Ngo Dinh Nhu], and a [Roman] Catholic Archbishop [Ngo Dinh Thuc – Archbishop of Hue]. All [three of these men] were determined to **impose** the religious and*

political writ of the [Roman Catholic] Church upon a non-Christian culture.” (The Vatican’s Holocaust; 1986; Page 209)

“President Diem was a fanatical [Roman] Catholic who ruled South Vietnam with an iron fist. He transformed the presidency into a virtual [Roman] Catholic dictatorship, which he used to crush his religious and political opponents with the utmost ruthlessness.

*He persecuted non-Catholics, and particularly the **Buddhists**. By his discriminatory methods he caused the disruption of the [South Vietnamese] army and the [South Vietnamese] government. This eventually was to lead to the **USA’s** military intervention in South Vietnam.*

*He [President Diem] ruled with the spiritual and political terrorization of his two equally fanatical [Roman] **Catholic** brothers, the Chief of the Secret Police and the Archbishop of Hue.*

President Diem had originally been ‘planted’ into the presidency by Cardinal Spellman and Pope Pius XII.

Buddhist monks committed suicide by fire, burning themselves alive in protest against his religious persecution.” (The Vatican’s Holocaust; Page 211)

“The jails were soon bursting with prisoners. The mass arrests became so numerous that finally it was necessary to open detention camps followed by additional ones euphemistically called ‘internment camps’...

There followed massacres within and outside such detention sites, like those which took place at Mocay, Thanhphu, Soctrang, Cangiuoc, Dailoc, Duyxuyen, to mention only a few. Religious sects and racial minorities were persecuted, arrested, and whenever possible ELIMINATED.

Minority groups were exterminated or accepted the [Roman] Catholic Church to save their lives.” (Vietnam: Why Did We Go?; Page 81)

“A certain clique at the Pentagon, inspired by another [clique] in the Central Intelligence Agency [CIA] with intimate links to the [Roman] Catholic lobby in Washington [D.C.] and certain Cardinals in the USA, and consequently in perfect accord with the Vatican, had decided to have a staunch [Roman] Catholic [as dictator] in South Vietnam.” (The Vatican’s Holocaust; Page 215)

*“...The media of America [initially] remained strangely silent about the whole issue [of the Roman Catholic persecution of Buddhists in South Vietnam]. When they were forced [Ed. Note: because so much of it was being reported in much of the rest of the world’s media] to report the news of the persecutions of the Buddhists by the [Roman] **Catholic** [South Vietnamese President] Diem, either they gave them the smallest coverage, or minimized the whole issue when not slanting the news altogether. The **Catholic-CIA-Diem** lobby saw to it that the whole picture became effectively blurred lest the American people take action.” (The Dollar and the Vatican; 1988; Pages 118, 119)*

Why isn't this history taught to American schoolchildren? Who benefits by this history being kept from the American people, and who is so powerful in this country that they have, for the most part, been able to keep this history from the majority of the American people?

QUESTIONS: Where has all this history gone? What institution in America is so powerful and influential that it has been able to keep most of this information from the vast majority of the American people? *Cui bono*? (Who benefits?)

ANSWERS: Well, we can safely assume that it is NOT "*the* [Masonic-Zionist] *Jews*" totally running America's mainstream media and publishing (as some allege), for how would they "benefit" from protecting the Vatican and the Jesuit Order by erasing a whole lot of history that greatly soils the reputations of the Vatican and the Jesuit Order? No, it is quite clear "*Who* *benefits*" from this erasure of history – the Vatican and the Jesuit Order! The Vatican, using its many "*secret agents*" from the ranks of the **Jesuit Order**, the Jesuits' *Knights of Malta*, the *Knights of Columbus*, top levels of *Opus Dei*, and top levels of *Freemasonry* (yes, the Jesuit Superior General, the "*Black Pope*", controls the top levels of *Freemasonry*), has been able through massive infiltration of mainstream media and publishing to revise the history textbooks and encyclopedias here in America, and in the process, whitewash the Papacy's and Jesuit Order's bloody, sinister, and nefarious activities throughout the course of history. It is the VATICAN and the JESUIT ORDER who "*benefit*"!

III. SUMMARY & CLOSING REMARKS

I have listed just a few samples of "history" that have been either greatly revised and/or have begun to disappear down a deep "memory hole". There are many others – a number of which I have written about in the past, such as Vatican-Jesuit involvement in the assassination of President Kennedy (and the subsequent cover-up). Another example is Jesuit and P2 Masonic involvement in the murder of Pope John Paul I in 1978 (he was poisoned to death). Relatively few Americans are aware of these powerful players "*behind the scenes*" [from *Papal Rome* and the Jesuit Order] who have orchestrated these historical events!

To summarize the main points of this TTT newsletter:

History and *Papal Rome's* own words have shown us quite clearly that she hates religious liberty and loves ecclesiastical tyranny. History also clearly shows us that whenever Roman Catholicism becomes predominant in any nation, she "lobbies" (almost always successfully) the government of that nation to make **Roman Catholicism** the "State religion" to the exclusion of all

others! History also shows us that ***Papal Rome*** hates the Constitutional Republic of the United States of America (where religious liberty has flourished).

The plans to destroy America and her Constitutional Republic were made quite early in American history. Roman Catholic monarchs and the highest levels of the Roman Catholic Church's hierarchy (to include a number of popes) CONSPIRED to snuff out religious liberty and popular, representative government. Indeed, top Roman Catholic leaders gathered in at least three largely secret meetings to discuss how to squash religious liberty and popular, representative government wherever and whenever they appeared – whether on the European continent or in the United States of America. As already mentioned, these three secret historic meetings were:

- The ***Congress of Vienna*** [Austria] from 1814 through 1815;
- The secret meetings at **Verona**, Italy in 1822; and,
- The secret meetings of top-level Jesuits at **Chieri**, Italy in 1825.

Plans were laid at these meetings for the takeover of the USA through infiltration of our government, education system, press and media, churches, and seminaries. The same “blueprints” had earlier been used quite successfully on England. The degree to which most Americans are totally unaware of these three secret meetings (Vienna, Verona, and Chieri), Papal and Jesuit involvement in the assassination of President Abraham Lincoln, the Vatican's involvement in fomenting both World War I and World War II, the Vatican's support of Nazi Germany and Fascist Italy (and other Fascist states in Europe) during World War II, etc., speak volumes about how successful their takeover of America's history textbooks, encyclopedias, publishing industry, press, and media has been!

We can go on pretending that there is no real threat from [Jesuit-controlled] ***Papal Rome's*** designs for world domination – to be at the head of one-world government and one-world religion, or we can do some research and study to find out the truth about [Jesuit-controlled] ***Papal Rome*** and her hatred of our most precious liberties.

IV. WHAT CAN WE DO?

(1.) ***The Transformation of the Republic*** by C.T. Wilcox; 345 pages; 2005; \$39.99 postpaid: The “sub-title” of this book is: *The Origins of the Religious Hi-Jacking of the American Government and The Truth Behind the Assassination of Abraham Lincoln*. This book deals primarily with Papal and Jesuit involvement in the assassination of President Abraham Lincoln, and contains many letters and sworn documents concerning the Lincoln assassination and its immediate aftermath (e.g., the 1867 trial of one of the arch conspirators, John Harrison Surratt). To order a copy, please go to website www.lulu.com and type in the word “Transformation” in the “book search” box.

3. Many “alternative media” broadcast hosts (e.g., talk-show hosts) have in the past not discussed these “tough topics” concerning ***Papal Rome*** and the Jesuit Order. Please get informed on the sordid history of ***Papal Rome*** and the Jesuit Order, and then please call in on these broadcasts and put these “alternative media” broadcast hosts “on the spot”. Be nice; however, don’t let them dismiss you quickly with broad-brush statements such as “*It’s not the Roman Catholics and it’s not the Jews [running the New World Order].*” Point out key areas of history that show a clear pattern of torture, mass murder, and hatred for religious liberty and freedom of conscience by ***Papal Rome*** – and, ***Papal Rome’s hatred*** for our American Constitutional Republic. Please write letters to these “alternative media” broadcast hosts – send them faxes – send them E-mails – and do call in to their broadcast programs. Please give them names for suggested guests on their broadcasts. If they do not hear from us, then they will not think that this information needs to be openly and fully discussed “on air”. If they do not hear from us, then they may never find the courage to address these issues “on air”.

CLOSING QUOTES TO PONDER:

*“If the American people could learn what I know of the fierce hatred of the **priests of Rome** against our institutions, our schools, our most sacred rights, and our so dearly bought liberties, they would drive them out as **traitors**.”*

Abraham Lincoln (1809-1865; 16th President of the United States)

((Ed. Comment to the preceding quote: While the above statement has certainly not applied to all Roman Catholic priests residing in America, either past or present, it surely does apply to the top and middle levels of the Roman Catholic hierarchical system. A number of popes and other top-level Roman Catholic prelates have condemned freedom of religion, conscience, and the press in the

strongest words. For a good example of this hatred of liberty, please read Pope Pius IX's *Syllabus of Errors* of 1864.))

*"The legions of Rome are awesome. More than one million practicing Catholics make up the ranks of the Knights of Columbus. They are fraternally pledged to the ideal of bringing America under papal rule. They are powerful, wealthy, [and] loyal." – Jack Chick (*Smokescreens*; Page 85)*

*"Let America again be forewarned as to [Papal] **Rome's** intention 'to make America [**Roman**] **Catholic**.'" – Larry Harrison (Publisher)*

*"**Popes** have been consistent in their declarations that freedom of religion should NOT exist, and that the **Church of Rome** represents the only true faith and therefore should alone be allowed to spread its doctrines." – Larry Harrison*

"...The Church of Rome, with its sixteen [Ed. Note: now approaching 17] centuries of intrigue, plans fifty or a hundred years ahead. The ultimate goal of the GREAT SCHEME is to throw the 'lever of time' back by restoring the Pope as the 'universal arbiter' from whom all the rulers of the earth must receive their authority to rule, as [occurred] during the Dark Ages."

Burke McCarty (*The Suppressed Truth about the Assassination of Abraham Lincoln*)

*"Persecution of non-Catholics in [Roman] **Catholic**-controlled countries should warn Americans as to what will happen here if the pope ever gains full control of this country. [**Papal**] **Rome** never changes."*

Raywood Frazier (March 16, 1960)

((Ed. Comment to the preceding quote: Roman Catholic persecution (to include religious genocide) occurred as recently as the 1940s in the Roman Catholic Fascist state of Croatia, where from 600,000 to one million innocent Serb Orthodox Christian men, women, elderly, and children were tortured, butchered, raped, brutalized, and murdered by Roman Catholic *Ustashi* military units led by priests, monks, and friars of the Roman Catholic Church. The hierarchy of the Roman Catholic Church planned, orchestrated, and participated in this monstrous genocide. If you doubt that this happened, then please read Avro Manhattan's book *The Vatican's Holocaust* – a book that includes photographs of both the innocent victims and the cruel perpetrators of this religious genocide.))

"Now more than any other time since the 16th century Reformation, God is looking for Christians to stand in the gap, to be watchmen, courageous enough to pay, as [Czech martyr Jan] Hus did, the flaming death of martyrdom. Remember: there is a battle to be fought (Ephesians 6:16-20).

There is an enemy to be overcome (1 Peter 5:8, 9). There is a watch to maintain (Jude 3,4, [and] 17-23)."

Bartholomew F. Brewer (Ex-Roman Catholic priest of the Discalced Carmelite Order)

"Who will rise up for me against the evildoers, or who will stand up for me against the workers of iniquity?" (Psalm 96:16)
